Hospital for Children
NHS Foundation Trust

Speak up, show respect, save lives

We're committed to achieving zero preventable harm.

Our Speaking Up for Safety programme supports and empowers you to raise concerns, in the moment, that could put others at risk.

By Speaking up for Safety you make GOSH a safer place for patients, visitors and colleagues.

**Sign up for your mandatory
Speaking Up for Safety training
on GOLD LMS**

**"I'm
speaking
up for
safety and
respect"**
